Newberry News

Hello everyone,

I thought it was about time I updated the newsletter.

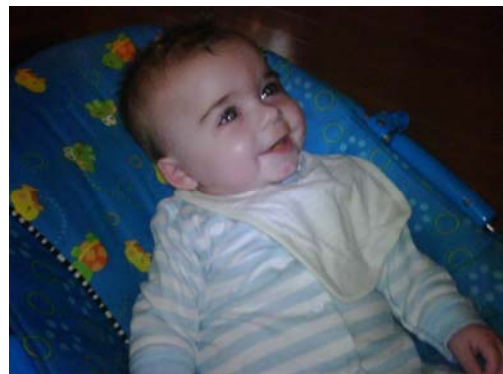

I have just introduced our spring specials for this year as in previous years, stay for 3 nights and pay for only 2. This is valid from 9th October 2011 until the end of November 2011. The weather is warming up, so please take advantage of these super prices during midweek.

Sale of Newberry Manor

Newberry Manor is still on the market and so far we have had a few interests but nothing firm as yet. Please be ensured that the standards haven't dropped just because we are for sale. So please don't stop coming down to our beautiful home and enjoy being pampered as always. We always look forward to seeing old faces again and of course lots of new ones.

Grandchildren

A quick update on the grandkids. We are now blessed with 4 little grandsons. My son Paul and his fiancée gave us another grandson Jesse on 14th April 2011. They have planned their wedding for 8th June next year. My daughter Elly has 3 boys. The Eldest, Jayke, is now at school. Time does really fly. Photos are of Cale (18 months), Jayke (4½), Zach (3) and Jesse (6 months).

Gift Vouchers always available....

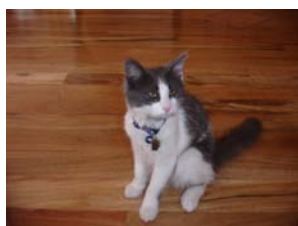

Perfect as a gift for weddings, birthdays or just to say "thank you" to someone special. You can purchase a voucher for any room and for any number of nights, and they're valid for 6 months.

Why not book a massage?

For your next stay why not be pampered by one of our excellent masseur. Jenny of Howe Natural is an excellent masseur and will pamper you in the privacy of your own suite. Simply book the massage when you make your booking and I will arrange the rest.

Family Pets

Sadly at the beginning of the year we lost Heidi, our small tabby cat. She unfortunately got ran over outside the Manor. This was a very sad time for us all. But now, as most of our recent visitors know, we have a new kitten called Monty. He is a very lively and friendly little grey and white cat and a very welcomed member of our family. Chinto is still the boss though!!

ACCOLADES

This lovely photo was kindly sent by happy guests from Singapore showing some of my famous breakfast dishes.

We have, of course, many beautiful comments in our guest book situated on the small table in the guest lounge room. Too many for us to put here. Next time you stay, why not have a glance over these comments and the numerous "thank you cards" we have also received from very happy guests!!
