Newberry News

Hello everyone,

We hope you have all had a lovely Christmas/New Year season and that the doom and gloom of the recession isn't hitting too hard.

Despite the downturn in the economy, Newberry Manor continues to be busy with guests new and old, although we are finding that guests tend to book at the last minute.

With the economy the way it is at present and to boost our bookings even more for the quieter months, we have decided to bring our "Specials" a little earlier to you. As of 1st March 2009 until the 30th September 2009, we are offering our "Autumn/Winter Special" of 3 nights for the price of 2 if booked Sunday-Thursday. The price has also dropped to \$240 for the Orchid per night and \$220 for the Hibiscus/Rose Suites. We hope that this will entice you all to come and stay at Newberry Manor.

The cooler months are even better at Newberry Manor with our newly installed wood burner in the guest lounge and the 42" plasma for you to view your movies on the "big screen", you are sure to be cosy and warm whilst sipping on your port and indulging in the chocolates, always freely available.

Easter Long Weekend

Come and enjoy the Easter Long weekend at Newberry Manor. There are sure to be plenty of chocolate Easter eggs available for your indulgence!! Please be sure to book well in advance for the Easter Long weekend. The Orchid Spa suite is already booked.
